Dear Parent or Guardian:

The Division of Elementary and Secondary Education Rules Governing Educator Licensure require a written notice be sent to the parents or guardians of a student that is assigned to a classroom with a non-licensed teacher for longer than thirty (30) consecutive days.

Although the District seeks to employ licensed educators, it is sometimes difficult to hire teachers who are fully certified in Arkansas. Therefore, we wish to inform you that you have the right to request the qualification of any teacher that teaches your child.

If you have any questions you may contact my office at 870-792-8486.

Sincerely,

Tish Knowles, Superintendent
