Earle, AR 72331

Phone: 870.792.8716 Fax: 870.792.1004

Greeting Students and Parents,

As you are aware, we are out of school due to cautionary measures regarding COVID-19. Virtual Arkansas and Earle High School were prepared for the outage, and instructions for courses are below.

Zoom is free and available to Virtual Arkansas students, so please take advantage of this opportunity to stay in communication with your teacher. Be sure to read your emails, as your teachers have been sending update emails regarding the expectations for your coursework.

While not physically at school, remember you have options to access your Virtual Arkansas courses from any internet connection. If you do not have a computer at home, there is an app you can put on a smartphone. Here are the Canvas Student App directions for [Iphones/iOS](#) or [Androids](#). The key to using the app is to remember to select Virtual Arkansas as the school and to use your normal username and password. If you **do not have access to internet**, you may come to the Central Office and receive your printed [Instructional Packet \(IP\)](#).

If you are due to take an assessment during those 10 days or less, you will be allowed to bypass the assessment and move on to the next module. You can then access and take the assessment upon return to school.

Should you have any questions about your coursework, please be sure to contact your facilitators. Should you need to contact your teacher, please CC your facilitator to ensure that we stay knowledgeable and updated about your progress.

Best Regards,  
EHS Class Facilitators
